Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact ACI to determine the lead time to order samples and material.

DESCRIPTION

BrailleNT is a textured surface wall line with a surface that pays homage to braille.

INSTALLATION & MAINTENANCE

BrailleNT may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architectural Ceramics sales representative will advise you on general installation questions. Please note that ACI does not recommend grout joints smaller than 1/16" for ACI Stock material.
